

## **Exhibit C**

### **WATER DELIVERY PLAN**

#### **Monday:**

The western bypass structures (upstream of S-71 and 72), except for L-61 will be opened by District staff at 7:00 A.M. Monday and will remain open until 7:00 A.M. Tuesday. All permitted users with authorized water supply withdrawal facilities located on the L-59 and L-60 canals, including Stan Lo Johns, may take all or part of their weekly allocation during this 24 hour window. In addition, Lykes Farms may take all or part of their weekly allocation from the C-40 canal during this 24 hour window. All water withdrawals are to be terminated by 7:00 A.M. Tuesday.

#### **Tuesday:**

The Seminole Tribe may take all or part of their weekly allocation from the C-40 and C-41 canals beginning at 7:00 A.M. Tuesday through 7:00 A.M. Wednesday (excluding Stan Lo Johns withdrawals from the L-60 canal). All Tribal withdrawals from facilities located along the L-61 and L-50 canals shall be supplied by the Tribe's pump that withdraws water from the C-41 canal downstream from S-71 as long as the Tribe's pump can deliver their allocation. In the event that water levels drop to a point where the Tribe's pump is not effective, the Tribe may contact the District Operations Control Room and request delivery of their allocation to L-61 and L-50 via the C-41 by-pass structures upstream of S-71. The Tribe shall phone in their total weekly pumpage volume made to the L-61 canal to Steve Bell at (561)682-6935 by close of business each Wednesday. All non-tribal water withdrawal facilities that derive water from the C-40, C-41, L-59, or L-60 canals are to be shut off during this time.

#### **Wednesday:**

Permitted users authorized to withdraw surface water directly from Lake Istokpoga or from the Istokpoga Canal, C-39A, C-41A, C-41 / C-40 upstream of S-70 and S-75 may take all or part of their weekly allocation between the hours of 7:00 a.m. Wednesday and 7:00 a.m. Thursday.

**Thursday:**

The western bypass structures (upstream of S-71 and 72), except for L-61 will be opened by District staff at 7:00 A.M. Thursday and will remain open until 7:00 A.M. Friday. All permitted users with authorized water supply withdrawal facilities located on the L-59 and L-60 canals, including Stan Lo Johns, may take all or part of their weekly allocation during this 24 hour window. In addition, Lykes Farms may take all or part of their weekly allocation from the C-40 canal during this 24 hour window. All water withdrawals are to be terminated by 7:00 A.M. Friday.

**Friday:**

The Seminole Tribe may take all or part of their weekly allocation from the C-40 and C-41 canals beginning at 7:00 A.M. Tuesday through 7:00 A.M. Wednesday (excluding Stan Lo Johns withdrawals from the L-60 canal). All Tribal withdrawals from facilities located along the L-61 canal shall be supplied by the Tribe's pump that withdraws water from the C-41 canal downstream from S-71. The Tribe shall phone in their total weekly pumpage volume made to the L-61 canal to Steve Bell at (561)682-6935 by close of business each Wednesday. All non-tribal water withdrawal facilities that derive water from the C-40, C-41, L-59, or L-60 canals are to be shut off during this time.

**Saturday:**

Permitted users authorized to withdraw surface water directly from Lake Istokpoga or from the Istokpoga Canal, C-39A, C-41A, C-41 / C-40 upstream of S-70 and S-75 may take all or part of their weekly allocation between the hours of 7:00 a.m. Saturday and 7:00 a.m. Sunday.

**Sunday:**

No withdrawals are authorized from surface water bodies.
